This is to certify that **Deon Gracias** was working with us from 1-July-2023 to 1-January-2024 and was assigned two projects during his tenure. As a representative of the **University of Mumbai**, I had the privilege of overseeing the project developed by him. I am pleased to offer my highest commendations for their outstanding performance and dedication. He contributed significantly to the development and implementation of two pioneering projects for the University of Mumbai.

Deon demonstrated an exceptional understanding of Database Management System concepts, and their skills were instrumental in designing and developing a comprehensive solution utilising Next.js and Pocketbase. The project created by Deon and his team was a complete solution tailored to facilitate University of Mumbai in efficiently managing and updating crucial data associated with colleges, courses, subjects, and teachers. Noteworthy features encompassed role-based authentication, restricted access protocols, backend optimizations for scalability, generation of confirmation receipts for colleges, and the integration of analytics for insightful reporting. The Paper Tracking Project streamlines answer paper management for the University. Unique IDs and barcodes simplify identification and tracking. Users easily access information via barcode scanning. A centralised database offers real-time updates and fast searches. This user-friendly, mobile-accessible system constantly improves with updates, enhancing efficiency for all.

The technical proficiency showcased by them using Next.js, Recharts, and Pocketbase was remarkable. Their ability to leverage these technologies exemplified a high level of competence and adaptability, resulting in the successful completion of a sophisticated and impactful project. I firmly believe that the dedication, technical expertise, and professionalism exhibited by Deon and his team make them an asset to any academic or professional endeavour they pursue. They possess the aptitude, diligence, and collaborative spirit that are essential for success in their future endeavours. I am confident they will continue to exhibit the same commitment and excellence in their future academic or professional undertakings.

To accept this offer, please sign and return a copy of this letter by May 21, 2024 11:59 PM. If we do not receive your acceptance by this date, we will assume that you have declined the offer.

Please note that your employment with Margdarshan is contingent upon your compliance with all applicable laws, regulations, and company policies, including but not limited to our Code of Conduct and Confidentiality Agreement.

We are excited about the next steps together and look forward to working with you. If you have any questions, please do not hesitate to contact us.

Best regards,
Prakhar Parashar
CEO & Founder

Hello Kris,

Further to our conversation on Saturday – 5th June, 2021, you have been selected to work as a freelance consultant for Aranca for a period of 1 year.

The project you will be involved with will include preparing company profile reports. As discussed, in the initial period you will require around 1.5 to 2 days to develop a report and based on your learning curve, the time period required will come down to 1.25 to 1.5 days per report. We are expecting to share around 12 to 14 report requests on a monthly basis with you and based on your speed of developing a quality report, we would be happy to provide you additional reports.

You will be working on your own laptop/ PC, and the data for the report has to be developed through publicly available secondary sources. We will be providing a “SecureDocs” folder for enabling you to upload the deliverables in that folder. We will also use the “Secure Docs” folder for sharing any communication / training material from our end. We will be sharing the ppt template for the report with you.

You will be required to serve one week’s notice period if you want to discontinue your freelance services. In addition, in the event, Aranca is not satisfied with the quality of your services, you will be provided a week’s notice before the discontinuation of your services.

Looking forward to work with you

Regards

Subject: Letter of Recommendation for Vansh P Thakkar

I am writing to provide my strong recommendation for **Mr. Vansh P Thakkar**. During his time at **Prudent Services & Solutions**, he demonstrated exceptional skills and dedication, particularly in the following areas:

Web Development Expertise:

Vansh successfully designed and developed our company's public website using advanced web development skills. He utilised the Django web framework to create a dynamic and scalable website, demonstrating a deep understanding of modern web technologies.

Hosting and Server Setup:

Furthermore, Vansh independently managed the hosting of the website on Digital Ocean, showcasing expertise not only in web development but also in server setup and maintenance.

Results:

The website, now live at prudentservices.co.in, stands as a testament to Vansh's expertise and commitment to delivering high-quality web solutions. Vansh is not only a technically skilled professional but also a proactive and resourceful individual. He consistently delivered results with a positive attitude and strong work ethic.

I highly recommend Vansh P Thakkar and believe he will be a valuable asset in any future endeavours, particularly those that require expertise in cutting-edge web development technologies such as Django.
