CIRCULAR

The Alumni Committee is formulated for the period of five years from January 2015-January 2020 consisting of the following members :

- a. Ms. Sapna Prabhu – Chairperson
- b. Ms. Prachi Patil-Secretary
- c. Ms.Parshvi Shah-Treasurer
- d. Ms. Archana Lopes-Member
- e. Ms. Merly Thomas -Member
- f. Mr. Prasad Kawade-Member
- g. Mr. Paresh Shetty-Member
- h. Mr. Farhan Shaikh-Member
- i. Mr. Hardik Panchal-Member
- j. Mr. Suresh Balakrishnan-Member
- k. Mr. DilipGidwani-Member

The following responsibilities have been entrusted to the committee:

1. To promote and foster mutually beneficial interaction between Alumni and the Institute.
2. To encourage the Alumni to take abiding interest in the process and development of Institute.
3. To arrange and support placement activities for the students of Institute by Alumni
4. To involve the Alumni to mentor the students of the Institute for higher education, development of character and being good citizens.
5. To create a strong database of Alumni which will facilitate interaction with them as well as keep them posted about current and upcoming events in the institute
6. To encourage the students of the Institute and members of the Association for research & development work in various fields like engineering.
7. To encourage and guide the students of the Institute on self-employment to become entrepreneurs.
8. To guide students of the Institute on various professional avenues available and support them through various activities such as expert advice, seminars, visit etc.
9. Promote the Industry-Institute interaction to bridge the gap between industry requirements and education offered and enhance students' employability.

SUBJECT: Invitation as Speaker for the Seminar on "Single Photon Counting and Image Sensors" .

Dr. Vinit Dhulla,

On behalf of Fr.Conceicao Rodrigues College of Engineering, I am very pleased to have the honour of inviting you as a Guest Speaker for the Seminar on "Single Photon Counting and Image Sensors" which will be organized by IEEE-CRCE. The Seminar will be held on 13th February, 2015 at 2.00 p.m. in Samvaad Auditorium of our college.

We, at FR.CRCE, always aim at providing extensive in-depth knowledge of latest trends in Technology. Considering your expertise in the field of Single Photon Detection/Imager Technology, we have arranged this seminar for our third and final year students (Electronics Stream). We are sure that our students will immensely benefit from your talk.

Looking forward to your presence.

Thanking you,

Warm Regards,

Dr. Srija Unnikrishnan

SUB: - LETTER OF APPRECIATION.

Dear Sir

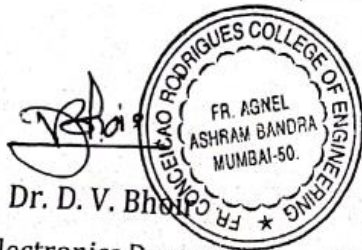

On behalf of IEEE-CRCE Students Branch and all the Faculty members, we would like to express our heartfelt gratitude for taking out time of your busy schedule to be the speaker at the seminar held on "Single Photon Counting Technology and Image Sensors", held on 13th February, 2015.

From the feedback that we received, the event was a success and this would not have been possible without your presence. Your presentation was excellent and enjoyed by everyone. We sincerely appreciate the efforts you have taken and for sharing your time, talent expertise with us.

It has been an honor to host the seminar with you. Your willingness to share your knowledge with the students is greatly appreciated.

Once again, IEEE-CRCE thanks you for your time and effort.

Regards,

Meeting of Internal Quality Assurance Cell (IQAC) is scheduled on April 27, 2019 at 10.30 A.M. The agenda of the meeting is as follows:

1. Informing objectives and functions of IQAC to the members
2. Result analysis
3. Identifying indicators to measure quality of teaching/learning in the institute
4. Feedback on practical oriented learning – project based learning
5. Suggestions for creating a learner-centric environment conducive to quality education
6. Suggestions for organizing inter and intra institutional workshops, seminars
7. Plans of institution for the forthcoming academic year
8. Any other academic matter with the permission of the chair

Subject : Thanks for your review during the DAB meeting

Respected Madam,

We wish to express our sincere gratitude for attending our Department Advisory Board meeting of Information Technology Department on 23rd June 2018 and imparting your guidance and reviewing the inclusion of additional supportive audited courses in the curriculum and other points on the agenda of the meeting.

We appreciate your efforts for sparing your valuable time to impart your experience and knowledge which will benefit our department.

Looking forward to continued association in future.

Thanking you,

With Regards,

Subject : Invitation to attend Department Advisory Board meeting

Respected Madam,

At the outset please accept our greetings.

We are planning to have a Departmental Advisory Board meeting for the Department of Information Technology on 23rd June 2018 at 10.00 A.M. This is primarily with agenda of improving quality of education in broader spirit and outcome based education in specific.

We request your goodself to attend the above meeting as a member on the panel to review and impart your guidance in this direction.

We would be honoured if you accept our invitation.

Thanking you,

With Regards,

Dr.(Mrs.) Srija Unnikrishnan
Principal

TEDxCRCE

x = independently organized TED event

Date: 8th March 2019

TEDx CRCE had organised "Resume building session" for all CRCE students on 6th March 2019. The main objective of this workshop was to provide the students from all streams - all years of our college an exposure of the company's basic requirements and how they should be building their resume. This workshop was led by Mr. Abhishek Kateliya, our Alumni- CS Dept. Batch 2017-2018, currently working in JP Morgan Chase. Three different sessions were conducted for the students of First year, Second Year and Third year separately and each session lasted for one hour. His talk covered all the challenges that can be expected in the corporate world.

| Year | Branch | Resume building | Internship-Expo |
|------|-------------|-----------------|-----------------|
| TE | Computers | 27 | 12 |
| TE | IT | 14 | 20 |
| TE | Electronics | 41 | 12 |
| TE | Production | 46 | 12 |
| SE | Computers | 20 | 16 |
| SE | IT | 68 | 19 |
| SE | Electronics | 56 | 38 |
| SE | Production | 27 | 4 |
| FE | Computers | 34 | 38 |
| FE | IT | 36 | 41 |
| FE | Electronics | 34 | 24 |
| FE | Production | 33 | 15 |

TEDxCRCE Salon 2016

The second season of TEDxCRCE started with the salon event held on 3rd September, 2016. This event was held in collaboration with the Department Of Humanities and Science. This salon was based on the theme –“CRCE and Beyond”. This session is mainly targeted towards our new first year entrants in the college and shall focus on fresher perspectives on pre-notioned ideas delivered by our college alumni. They would share their experience as an alumni when they were a part of CRCE and the road to life after it. The speakers were Mr. Mahesh Pinge, Mr. Mihir Karkare, Mr. Parag Doshi and Mr. Rohit Mirza.

The event was well attended by the first year students of all branches, staff and the college management. The event started with the lighting of the lamp and a few inspiring words from Fr. Valerian, Prof Deepak Bhoir, Prof DSS Sudhakar and Mrs. Sundari Prabhavati.

The first speaker Mr. Mahesh Pinge, VP of Capgemini was from the 1990 Production Branch. His talk inspired young minds to keep moving forth despite the falls. He encouraged them to re engineer their life which will ultimately impact their career.

The next speaker was Mr. Mihir Karkare, an alumnus from the 2007 Computer Engineering Branch. He is the co-founder and EVP of Social Wavelength (now Mirum). His talk helped students understand the importance of adaptability and how to live their life with passion.

The third speaker was Mr. Parag Doshi who was from the 1992 Electronics Branch. He is now the Director and Co-founder of Chenoa Information and Software Services Private Limited, Mumbai. He guided the students for seeking foreign education later in their careers. He affirmed them with the colleges motto of “Moulding Engineers who can build the nation”. He urged us to search within for the drive to develop our country and assured us of the vast number of opportunities available at home.

The last speaker was Rohit Mirza who belonged to the 2013 Electronics Branch. He is now a professional footballer for Mumbai FC. He motivated the crowd to follow their dreams. He urged them to convert their passion into their career, whatever it may be.

These talks left the crowd more aware and helped them form a picture of what their life would be in and after graduating from CRCE. The TEDxCRCE 2016 Official After Movie was released at the event for all the new entrants to get a glimpse into our previous event. The TEDxCRCE Community was also inaugurated by our Director, Fr. Valerian on stage.

CIRCULAR

The Fifth meeting of Departmental Advisory Board(DAB) is scheduled to be held on 26th June 2019 in Computer Lab 6th floor at 10.00AM

Agenda

1. Review of Previous DAB Minutes of Meeting.
2. To get inputs from experts about the actions to be taken with reference to the NBA committee feedback.
3. To discuss the assessment of the attainment of Program Outcomes, Program Specific Outcomes.
4. To discuss about Quality Improvement on academic processes.
5. To establish Centre of Excellence.
6. To promote internship opportunities for students.

Dr B.S. Daga
Head Of the Department,
Department of Computer Engineering,
Fr. Conceicao Rodrigues College of engineering

Members:

- 1) Dr. Srija Unnikrishnan (Principal, Fr.C.R.C.E.)
- 2) Dr. B.S.Daga (H.O.D. Computer Dept, Fr.C.R.C.E.)
- 3) Dr Narendra Shekhokar (Academic Expert, H.O.D. DJS College of Engineering)
- 4) Ms. Ipsita Bhattacharya (Industry Expert-Business Analyst at JPMorgan Chase & Co., Corporate Social Responsibility Manager at Trishul (NGO), Director of Strategy at Annadhan)
- 5) Mr. Mohak Gogri (Senior Software Engineer at Mobileum Technologies, Mumbai, Alumni, Fr.C.R.C.E.)
- 6) Mr. Ruben Monteriao (Software Development Engineer, Media.net, Alumni, Fr.C.R.C.E.)
- 7) Ms. Meryl Martis(Associate Software Engineer, BNP Paribas ISPL, Alumni, Fr.C.R.C.E.)
- 8) Prof. Swati Ringe (Program Co-Ordinator, Computer Department, Fr.C.R.C.E)
- 9) Prof. Sujata Deshmukh (Computer Department, Fr.C.R.C.E.)
